**General Statement of Professional Experience (written by firm)**

At NewEarth, we specialize in terrestrial and wetland resource delineations and assessments, plant and animal surveys, environmental inspections and compliance monitoring, habitat assessments, wildlife habitat improvement plans, and navigating the environmental regulatory process. We are a small women and veteran owned company, and certified as a Disadvantaged Business Enterprise in Maine and New Hampshire. NewEarth's owner and principal biologist, Stacie Grove, is a Certified Wildlife Biologist, Certified Professional Wetland Scientist, and a USDA/NRCS certified Technical Service Provider for wildlife resource planning. Ms. Grove's background includes over 16 years' of nationwide environmental experience for clients ranging from small non-profit organizations to the federal government.
